Moody's Analytics IFRS 17 Solution Licensed by Manulife

NEW YORK, January 16, 2019 – Moody's Analytics, a global provider of financial intelligence, announced today that it is collaborating with Manulife to be the solution provider for its global implementation of IFRS 17.

Moody's Analytics solution for IFRS 17 includes AXIS™ IFRS 17 Link Modules and RiskIntegrity™ IFRS 17, helping insurers and reinsurers meet the financial reporting challenges under the new reporting standard. This solution has been designed to coordinate and facilitate the full suite of actuarial, accounting, and data management processes required for the reporting components for IFRS 17 statement preparation.

"We have been working on defining our needs for new solutions to meet IFRS 17 requirements and, after a preliminarily trial with Moody's Analytics, we decided to continue to partner with Moody's Analytics for their RiskIntegrity IFRS 17 solution and AXIS IFRS 17 Link Module to support us in implementing the new standard," said Jon Bradbury, IFRS 17 Systems Delivery lead at Manulife. "We are confident that Moody's Analytics will support Manulife as we work towards meeting the requirements of IFRS 17."

"We are delighted that Manulife will use our solution to meet its IFRS 17 financial reporting requirements," said Christophe Burckbuchler, Head of Insurance Strategy and IFRS 17 Solutions at Moody's Analytics. "Our existing relationship with Manulife laid the foundation for this collaboration and we look forward to working with their team on another successful project."
