

Moody's Residential Mortgage-Backed Securities (RMBS) Research

Moody's Residential Mortgage-Backed Securities Research is a leading source of credit ratings and analysis on agency and non-agency MBS, mortgage-related ABS, including home equity loans and lines of credit, and servicer ratings.

Key Features:

- » Deal-specific and thematic research related to the 7,600 RMBS deals Moody's rates and monitors globally.
- » Comprehensive research offerings include timely, deal-specific insight and informed market commentary, in addition to downloadable monthly performance data and indices.
- » Special reports on asset classes, year-in-review series, financial guarantor research, rating methodologies and various newsletters on different sectors.

Key Benefits:

- » Exclusive access to a team of over 80 RMBS analysts worldwide.
- » Insight into aggregate performance indicators of different RMBS markets.
- » Priority invitations to Moody's structured finance conference and events program.

FEATURED PUBLICATIONS:

Structured Finance Quick Check

Moody's weekly overview of all things related to the global structured finance market. The report includes up-to-date qualitative commentary on market events and regular features such as new structured finance research and recent rating changes and statistics. One-year rating transition tables, updated methodology reports, coverage of legal challenges to the market, collateral performance reports, and updates on the regulatory and accounting environment round out the publication's offerings.

ResiLandscape

A semimonthly, cross-sector newsletter that combines RMBS performance statistics, macroeconomic commentary and key statistics from Moody's Economy.com with servicing trends, legal trends and links to related publications including indices, methodologies and loss-projection updates.

Credit Insight: European RMBS and ABS

Moody's monthly newsletter exploring topical issues affecting the European RMBS and ABS markets. The report also offers the relevant performance indices and ratings methodologies for all RMBS and ABS subsectors.
