Moody's Analytics is pleased to announce the new Senior Director Sales Manager for Africa, the Netherlands, DACH region, Italy and UK banks – Damian Burleigh

'I am very excited about joining the Moody's Analytics family and assuming the role of Senior Director in the Sales Management team. For Moody's Analytics, South Africa has always constituted an important and fundamental market in the EMEA region, with various clients including major banks, insurance companies, asset managers, corporates and other financial institutions. In recent years, Moody's Analytics has been involved in many innovative and complex projects in South Africa, helping capital markets and risk management professionals in responding to an evolving marketplace with confidence'.

Moody's Analytics is significantly focusing on commercial lending, stress testing for the upcoming Asset Quality Review, as well as general risk management and Solvency II compliance.

Moody's Analytics offers unique tools and best practices for measuring and managing risk through expertise and experience in credit analysis, economic research and financial risk management. By providing leading-edge software, advisory services and research, including proprietary analyses from Moody's Investors Service, Moody's Analytics integrates and customises its offerings to address specific business challenges. Moody's Analytics is a subsidiary of Moody's Corporation (NYSE: MCO), which employs approximately 6,800 people worldwide and has a presence in 28 countries. Further information is available at www.moodyanalytics.com.
