Moody's Analytics is pleased to announce the new appointment of Noah Berliner as Managing Director, Head of Sales and Customer Service for the Asia Pacific region

"I am thrilled to assume the role of Managing Director of Sales and Customer Service for the Asia Pacific region. The Asia Pacific region has always been a key growth driver for Moody's Analytics with clients in banks, insurance companies, asset managers, corporates and other financial institutions. We will continue to offer our clients a unique value proposition and deliver a positive client experience. Moody's Analytics continues to execute innovative projects in the Asia Pacific region focused on helping capital market and risk management professionals respond to an evolving marketplace with confidence."

Moody's Analytics offers unique tools and best practices for measuring and managing risk through expertise and experience in credit analysis, economic research and financial risk management. By providing leading-edge software, advisory services and research, including proprietary analyses from Moody's Investors Service, Moody's Analytics integrates and customises its offerings to address specific business challenges. Moody's Analytics is a subsidiary of Moody's Corporation (NYSE: MCO), which employs approximately 6,800 people worldwide and has a presence in 28 countries. Further information is available at [www.moodyanalytics.com](http://www.moodyanalytics.com).

## Biography

Noah Berliner – Managing Director, Head of Sales and Customer Service for the Asia Pacific region – has more than 13 years of experience within the financial markets and in developing high performance sales teams around the globe. Mr. Berliner joined Moody's in 2001 and since that time has held various key sales positions in the London, New York and Hong Kong. Prior to his relocation to London in 2006, Mr. Berliner was one of the founding members of the Global Account team in 2004. He is also the Head of Hong Kong Global Volunteer Council by the Moody's Foundation. He holds a Bachelors of Arts from the University of Vermont, United States.
