Moody's Certificate in Commercial Credit (CICC) is endorsed by PRMIA, the premier association for risk management professionals. PRMIA recognizes those who become certified by Moody's as having achieved the highest level of competence in credit analysis and loan decisioning. An independent and not-for-profit organization, PRMIA collaborates with a network of risk professionals and accredited organizations to set standards for the global risk profession.

PRMIA members can visit PRMIA.org for special benefits and offers.

Mortgage Professionals Canada

PRE-APPROVED FOR CE UNITS FOR THE YEAR 2018:

- » Analyzing Commercial Real Estate
- » Commercial Lending
- » Problem Loans
- » Profitability and Credit Risk
- » Accounting for Credit Professionals - Business Development Planning

AMP participants are to self-report their third party CEU by logging on to mortgageproscan.ca/education/.

Finance Accreditation Agency (FAA) Malaysia

FAA accreditation signifies that the Moody's Analytics CICC program has met the rigorous standards set by the FAA for training courses in Malaysia. This accreditation underscores the relevance of the program to the financial services industry and its alignment with the Central Bank of Malaysia's credit proficiency objectives.

Dalhousie University

Moody's Analytics and Dalhousie University have an agreement where Dalhousie University will grant advance standing in the unique MBA (Financial Services) program to professionals who aspire to take their careers to a higher level. If you have completed Moody's Certificate in Commercial Credit (CICC) you may have already earned two credits toward this advanced specialized degree. Further details can be found on the [here](#).

Institute of Banking and Finance, Singapore

FTS-ELIGIBLE

This program is recognized under the Financial Training Scheme (FTS) and is eligible for FTS claims subject to all eligibility criteria being met. Please note that in no way does this represent an endorsement of the quality of the training provider and program. Participants are advised to assess the suitability of the program and its relevance to participants' business activities or job roles. The FTS is available to eligible entities based on the prevalent funding eligibility, quantum and caps. FTS claims may only be made for recognized programs with a specified validity period.

Please refer to www.ibf.org.sg for more information.

ICB / American Bankers' Association
