

REGIONAL SCHEDULE:

Public Seminar Schedule – Asia Pacific

Tailor Any Seminar for Your Organization

Moody's Analytics Professional Development also offers customized training and eLearning solutions to help you maximize your training investment. Our hands-on approach benefits companies of all sizes and requirements – from those with just a few local employees to those with staff dispersed around the globe. Contact us at TrainingAPAC@moodys.com to learn more and to work with one of our training consultants to design the right program for your organization.

Multiple Bookings

Special rates may be available for multiple seminar or group bookings. Please contact us at TrainingAPAC@moodys.com for details.

Fees & Cancellations

The fee listed is per participant and includes refreshments, lunches and seminar materials. Seminar fees do not include tax, transportation or hotel accommodations. Payment must be received in full prior to the start of the seminar. Registrations may be cancelled in writing via letter or email at least 30 days before the first date of the training for a full refund. Cancellations received less than 30 days in advance are eligible for substitution with another seminar, but fees will not be refunded. We reserve the right to cancel or reschedule seminars at any time. For further information on our refund and complaint policy, please contact us at TrainingAPAC@moodys.com.

WHY MOODY'S ANALYTICS?

Consultative Approach

Our courses are built and updated based on extensive research, experience, and the dynamic changes in the financial markets. For in-house training, we work with you to understand the distinct needs of your organization and design, implement, and track the performance of your learning programs from end-to-end, including skills assessment, program design, implementation, evaluation, and enhancement.

Comprehensive Coverage

We offer a broad set of technical and soft skills programs that can be combined and adapted to the needs of your staff. Our areas of expertise include:

- » Banking & Credit
- » Financial Markets & Investments
- » Risk & Capital Management
- » Corporate Finance
- » Derivatives & Structured Products
- » Professional & Personal Development

Unparalleled Expertise

Our training solutions leverage over a century of experience in risk assessment and the comprehensive tools, data, and analysis of Moody's Analytics to deliver timely, in-depth, and comprehensive knowledge. In delivery, our people make the difference –they combine deep experience as financial practitioners, intellectual passion for the content, and superior academic credentials with a commitment to delivering outstanding quality.
