MOODY'S ANALYTICS WINS GOLD STEVIE AWARD FOR SALES & CUSTOMER SERVICE

NEW YORK, April 12, 2016 – Moody's Analytics, a leader in risk management and measurement, today announced that it has won a Gold Stevie® Award for Sales & Customer Service. The Stevie Awards are the leading business awards for sales and service across multiple industries.

"We are delighted that the judging committee, comprised of distinguished peers, selected Moody's Analytics for gold placement in the Customer Service & Contact Center Team category," said Sheena Sweeney, Managing Director for Customer Service at Moody's Analytics. "We strive to provide an excellent customer experience to help our clients succeed in challenging and dynamic financial markets," she added.

Moody's Analytics' Stevie Award for "Front-Line Customer Service Team of the Year" in Financial Services recognizes its Customer Service team's successful support of more than 175,000 users across the full range of Moody's Analytics products, used by over 5,000 institutions worldwide.

"Entries to the Stevie Awards for Sales & Customer Service continue to grow every year, further validating the essential roles that business development, customer service, and sales play in business success," said Michael Gallagher, president and founder of the Stevie Awards. "The widespread support of this program made the 2016 competition that much more intense among finalists. The judges were deeply impressed by the winner's accomplishments and we congratulate all of the winners on their commitment to excellence and innovation."

About Moody's Analytics

Moody's Analytics helps capital markets and risk management professionals worldwide respond to an evolving marketplace with confidence. The company offers unique tools and best practices for measuring and managing risk through expertise and experience in credit analysis, economic research and financial risk management. By providing leading-edge software, advisory services, and research, including the proprietary analysis of Moody's Investors Service, Moody's Analytics integrates and customizes its offerings to address specific business challenges. Moody's Analytics is a subsidiary of Moody's Corporation (NYSE: MCO), which reported revenue of \$3.5 billion in 2015, employs approximately 10,400 people worldwide and maintains a presence in 36 countries. Further information is available at www.moodysanalytics.com.

About The Stevie Awards

The Stevie Awards are conferred in six programs: The American Business Awards, the German Stevie Awards, The International Business Awards, the Stevie Awards for Women in Business, the Stevie Awards for Sales & Customer Service, and the Asia-Pacific Stevie Awards. A seventh program, the Stevie Awards for Great Employers, will debut in April 2016. Honoring organizations of all types and sizes and the people behind them, the Stevies recognize outstanding performances in the workplace worldwide.
