YES BANK Collaborates with Moody's Analytics for Credit Management Certification for its Employees

MUMBAI, November 29, 2017 - YES BANK, India's fifth-largest private sector bank, has collaborated with Moody's Analytics to provide credit certification to its Credit Management employees. The certification is aimed at upgrading the existing knowledge levels of its employees and to give them exposure to the industry's best practices.

YES BANK employees will have to go through one of the two certification courses offered by Moody's Analytics based on their roles:

- » [Course 1: Certificate in Commercial Credit \(CICC\) for Corporate/Wholesale Banking Credit Underwriters](#)
- » [Course 2: Credit Skills for Bankers Certification \(CSBC\) for Small and Medium Enterprise Underwriters and for Retail Credit Underwriters](#)

The Certification Courses are globally recognised and offer tailored content for the Indian markets.

Speaking about the partnership, Deodutta Kurane, Group President, Human Capital Management, YES BANK, said, "YES School of Banking – YES BANK's L&D function, has partnered with Moody's Analytics for their certification courses to leverage their deep expertise in credit and risk management and to offer the full spectrum of world-class skills and knowledge to our employees."

Ari Lehavi, Executive Director of the Moody's Analytics Learning Solutions Division, said, "We are very pleased to work with one of the leading private sector banks in India to help enhance the credit assessment skills of its Risk Management and Credit Underwriting staff. Our training programmes use interactive case studies to offer a robust and comprehensive online learning experience that instils a strong foundation in the principles and application of credit lending."

As per RBI's (Reserve Bank of India) circular on 'Capacity Building for Banks and All India Financial Institutions (AIFIs)', banks have been mandated to certify employees working in specialised areas (Treasury Operations, Risk Management, Accounting, and Credit Management). RBI has accredited Moody's Analytics certifications in the area of Credit Management.

About Moody's Analytics

Moody's Analytics helps financial and risk professionals worldwide respond to an evolving marketplace with confidence. The company offers unique solutions for measuring and managing financial and risk performance. Moody's Analytics is a subsidiary of Moody's Corporation (NYSE: MCO).
