Moody's Analytics Earns #4 Spot in 2019 Chartis RiskTech100®

NEW YORK, November 19, 2018 – Moody's Analytics, a global provider of financial intelligence, has been ranked #4 in the 2019 Chartis RiskTech100®, our best-ever finish. We also won awards in the Strategy category and in five Solution categories: CECL, IFRS 9, Balance Sheet Risk Management, Credit Risk for the Banking Book, and Model Validation.

This year, Moody's Analytics earned a category award in one of the overall Chartis categories, Strategy, which considered our ability to execute, our vision and leadership, and our financial performance. [Click here](#) for more on our Solution category wins.

Now in its 13th year, the RiskTech100® evaluates technology companies that provide risk and compliance solutions to financial institutions. Moody's Analytics has finished in the top five of these rankings for three straight years.

"Moody's Analytics continues to help its clients across the globe to satisfy their risk technology needs," said Rob Stubbs, Head of Research at Chartis Research. "The breadth of its offerings is reflected in another top-five finish and five solution category wins."

"We're gratified that Chartis has recognized Moody's Analytics as a top provider of risk technology solutions," said Steve Tulenko, Executive Director-Enterprise Risk Solutions. "Our strategy is to simplify, digitize, and automate cumbersome manual processes, helping our clients to operate more efficiently and make better, faster business decisions."
