Moody's Analytics and SKS Group Announce Partnership to Deliver Regulatory Reporting Solutions to Banks in Germany and the German-Speaking Region

LONDON, March 7, 2019 – Moody's Analytics, a global provider of financial intelligence, and SKS Group, a leading business consultancy in the field of reporting, have announced a new collaboration as part of the Moody's Analytics [PartnerAlliance](#) program.

As part of the new partnership, SKS Group will develop expertise around Moody's Analytics [regulatory reporting solutions](#). SKS Group will work jointly with Moody's Analytics to help banks in Germany and the German-speaking region with the implementation of their regulatory reporting projects.

"The strength of Moody's Analytics regulatory reporting software, and the range of German and international reporting templates its solutions offer, will enable us to provide a comprehensive regulatory reporting offering to our joint clients in Germany and the German-speaking region," said Jan Hrynko, Executive Partner at SKS Group. "We look forward to working with Moody's Analytics to help our joint customers establish delivery plans for their regulatory reporting projects."

"Our partnership with SKS Group supports our ongoing focus on the German market, and wider European region, where there is continued demand for robust regulatory reporting and risk management solutions," said Andy Frepp, General Manager at Moody's Analytics. "SKS Group brings a breadth of knowledge and technical expertise in the banking regulatory space, which complements our suite of award-winning regulatory reporting solutions."

In November, Moody's Analytics earned the [Highly Commended distinction](#) for Best Regulatory Reporting Solution in the *Regulation Asia Awards for Excellence 2018*. The Moody's Analytics Regulatory Reporting Module is a comprehensive solution designed to

help banks manage their regulatory reporting requirements from a single system. The Regulatory Reporting Module automates and streamlines the collection and submission of regulatory reports to regulators in more than 50 countries.

SKS Group joins the PartnerAlliance program at the [Member](#) level. This alliance is non-exclusive, and both companies remain independent to collaborate with other parties in the best interest of their respective clients.
