Moody's Analytics online training courses and certification programs help teams build world-class credit analysis and risk mitigation skills. The courses are designed to appeal to all learning styles with multi-media and interactive lessons.

"We are delighted to work with Baiduri Bank to build the knowledge and capabilities of their workforce across multiple divisions," said Wael Jadallah, Managing Director at Moody's

Analytics. "Our eLearning courses are designed to set the global standard in financial services education, promote efficiency, and enable professionals to make better, faster decisions."

Meanwhile, Ti Eng Hui, CEO of Baiduri Bank said: "The banking industry all over the world is a continuously evolving marketplace and with it, comes new challenges to those working in it. At Baiduri Bank, we believe in a culture of continuous learning. Hence, we have partnered with Moody's Analytics to leverage on their highly acclaimed professional training platform to help our staff upgrade their knowledge and skills."

"Through this robust training framework, Baiduri Bank hopes that the specific needs of our personnel can be addressed, and this will help us build a highly competent and risk aware culture in our workforce", added Mr Ti.
